

Let's Talk Variety Selection 2015

Make

Decision

White?

Red?

Kansas?

Private?

PlainsGold?

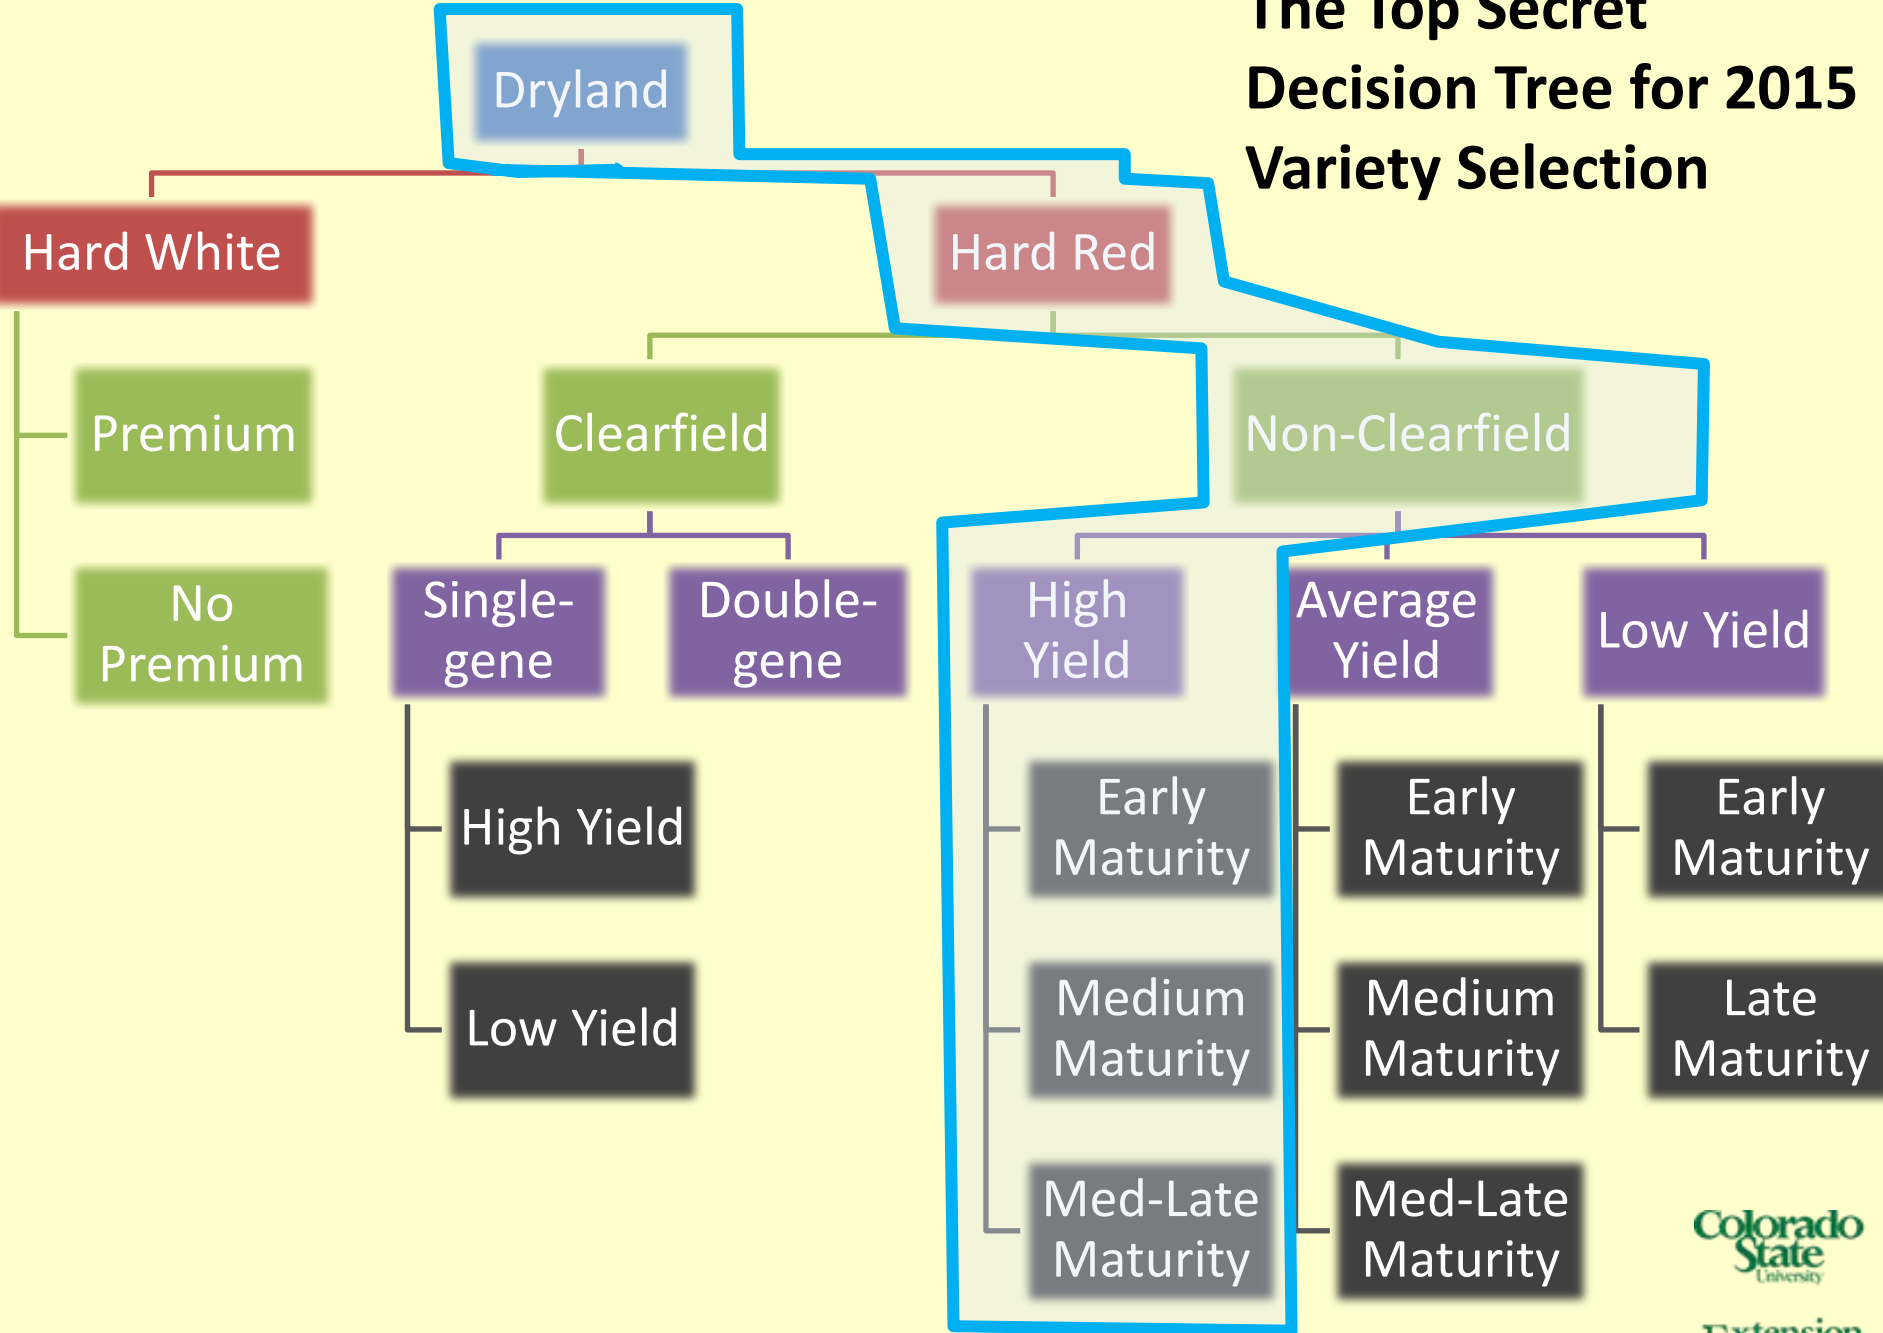

Jerry Johnson and
Sally Sauer
CSU Crops Testing

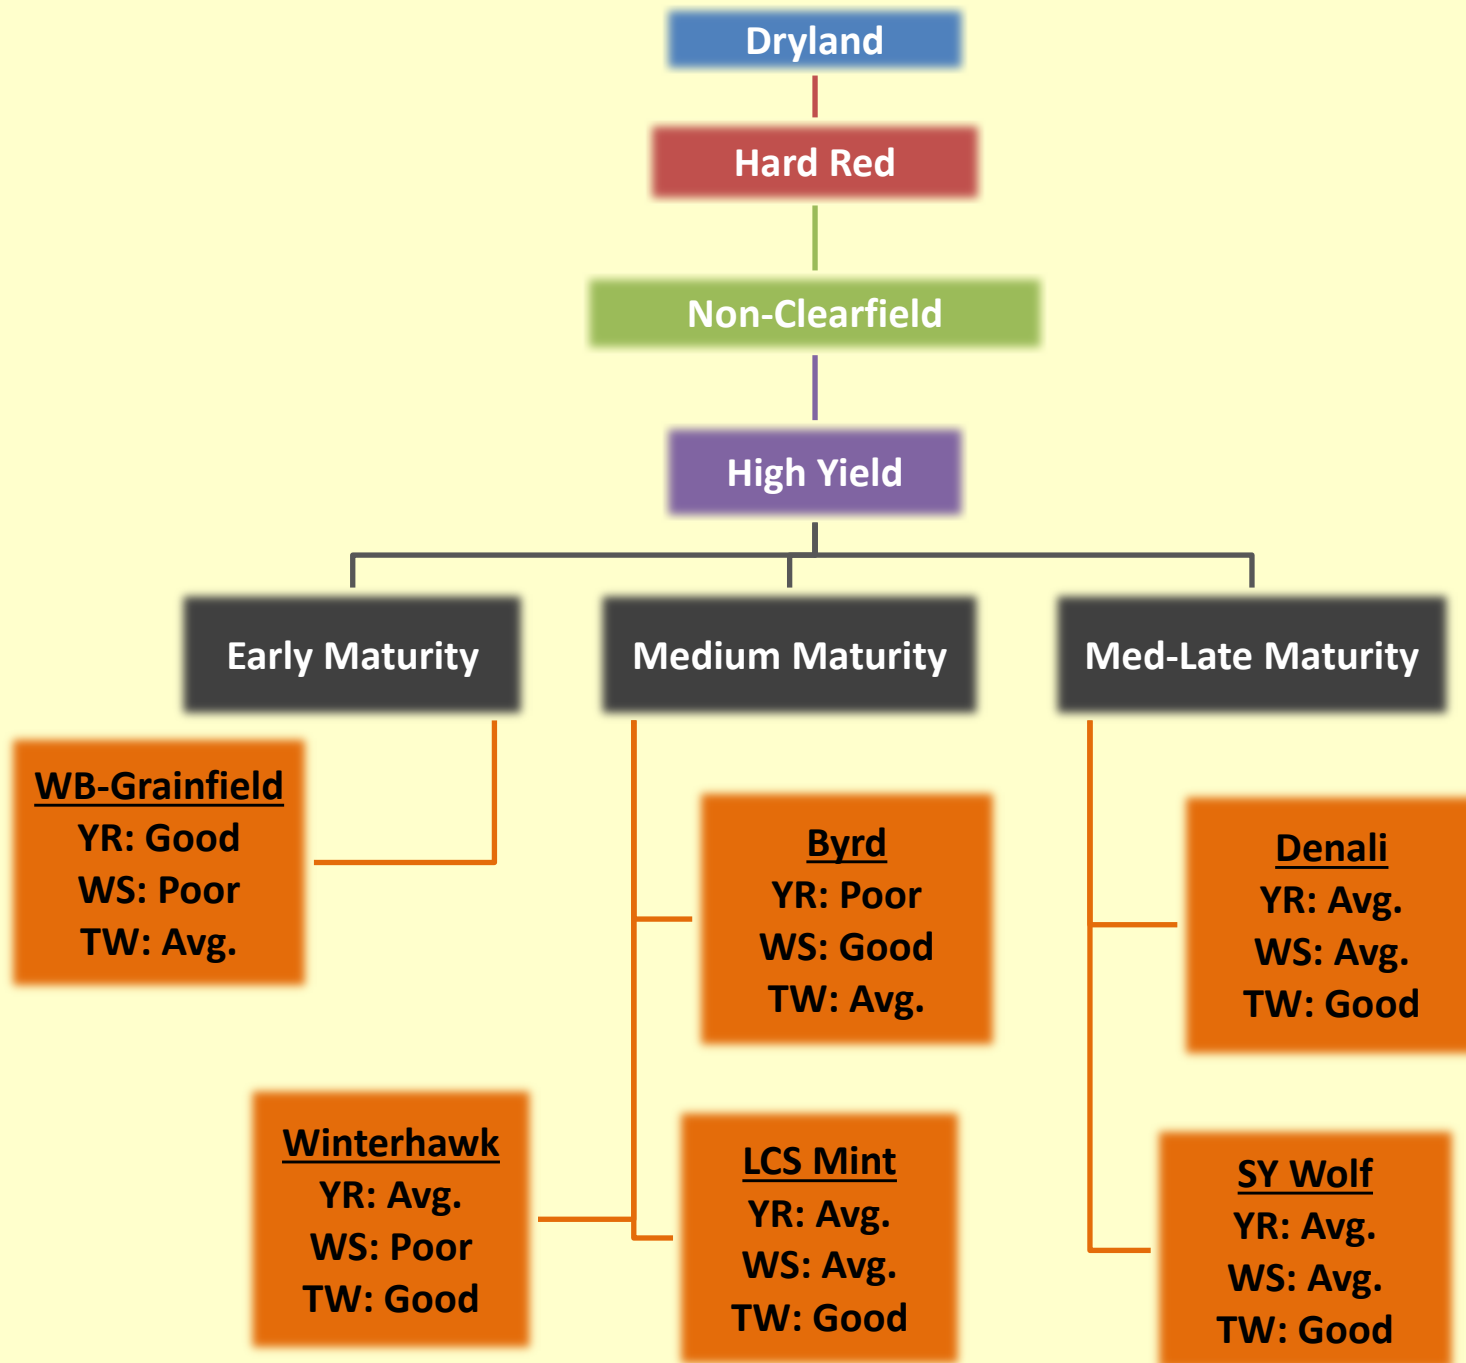

A decision tree approach to looking at varieties to plant this fall

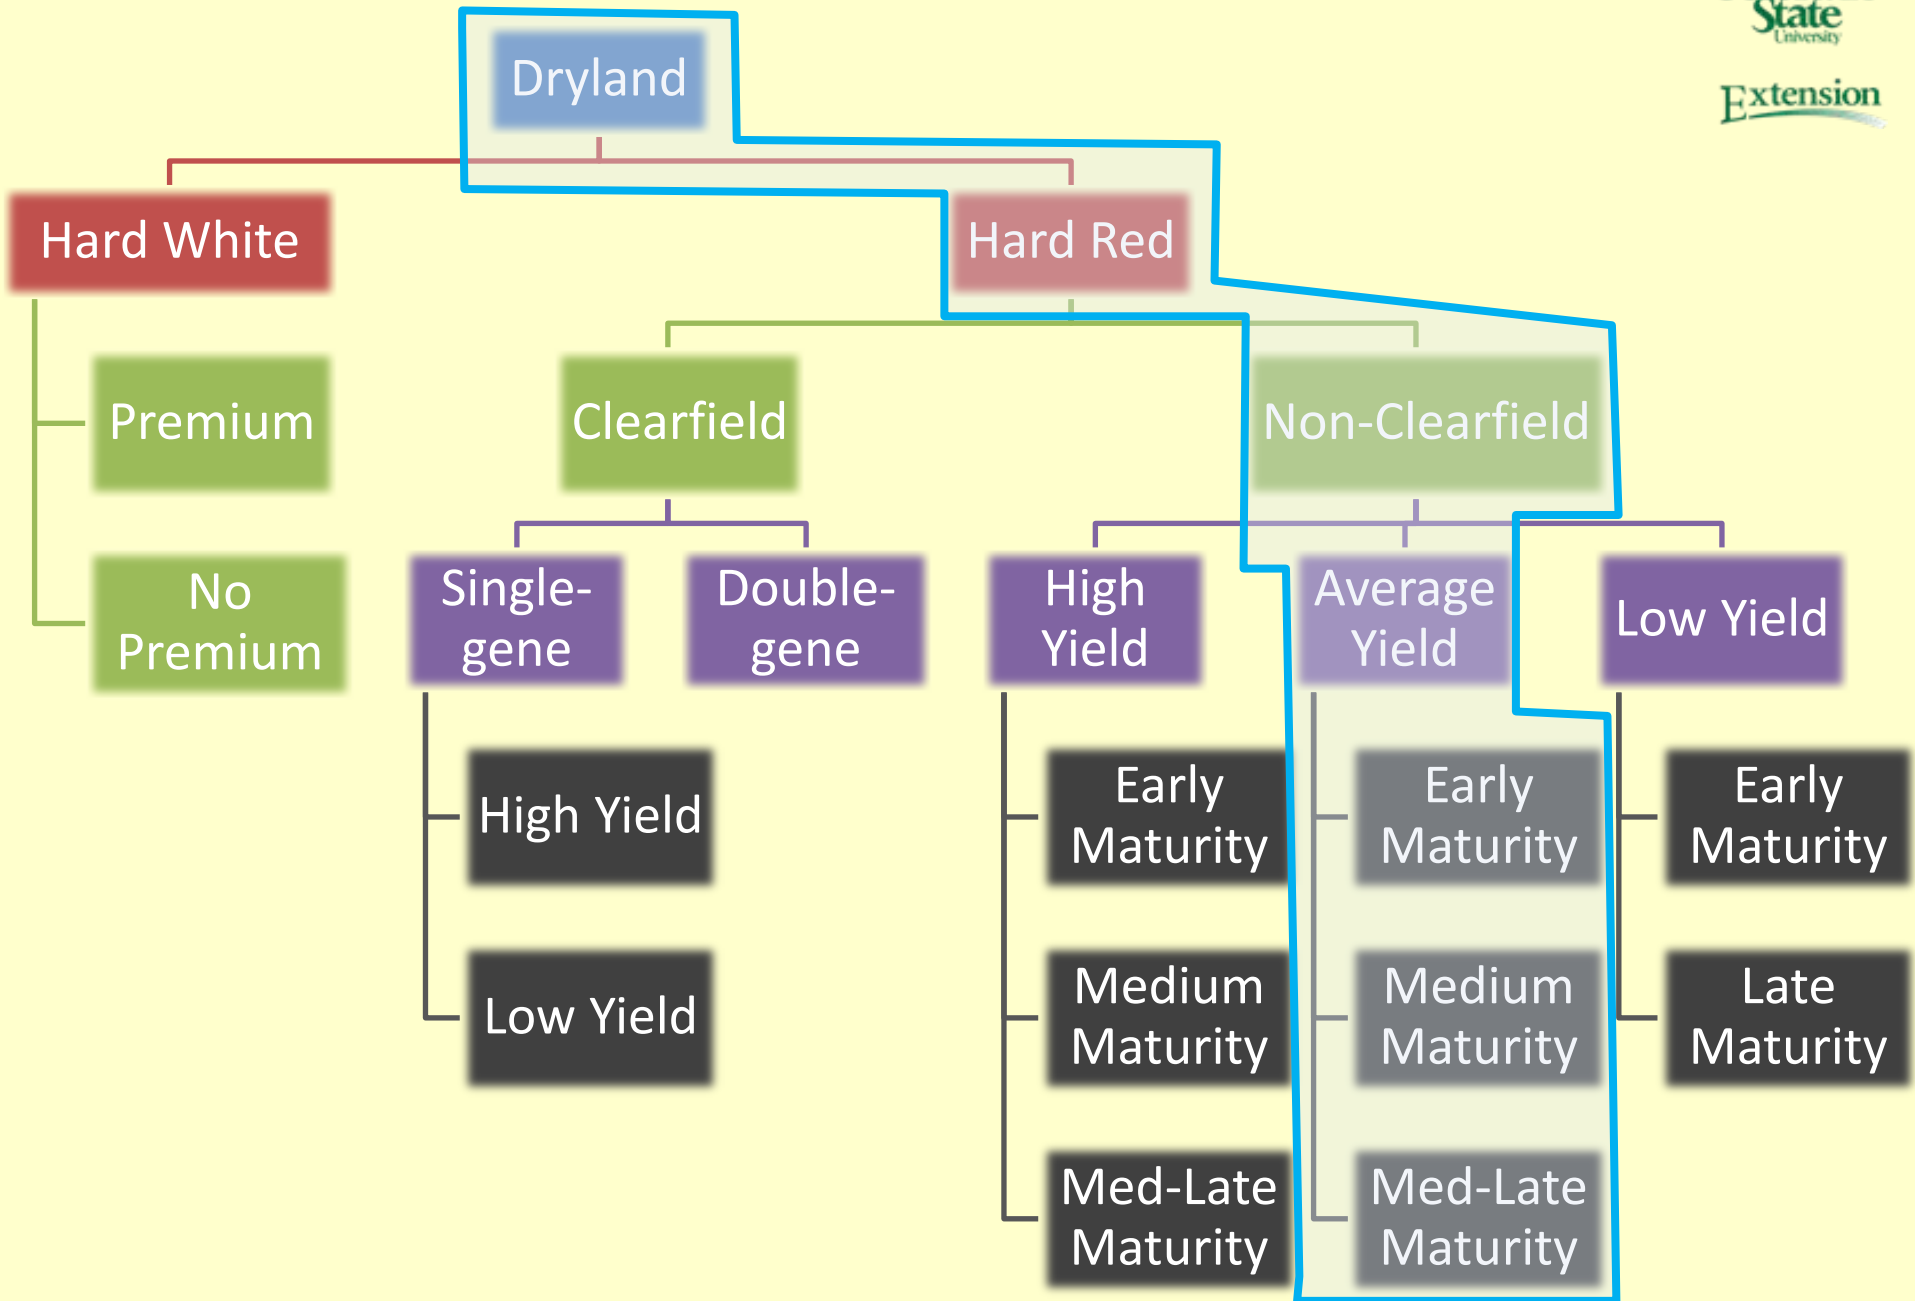

- Based on:
 - 2014 and 2015 3-Year Summary tables
 - Variety characteristics table
- Other important pages in report:
 - 1, 2, & 3 year dryland results on pages 14-16

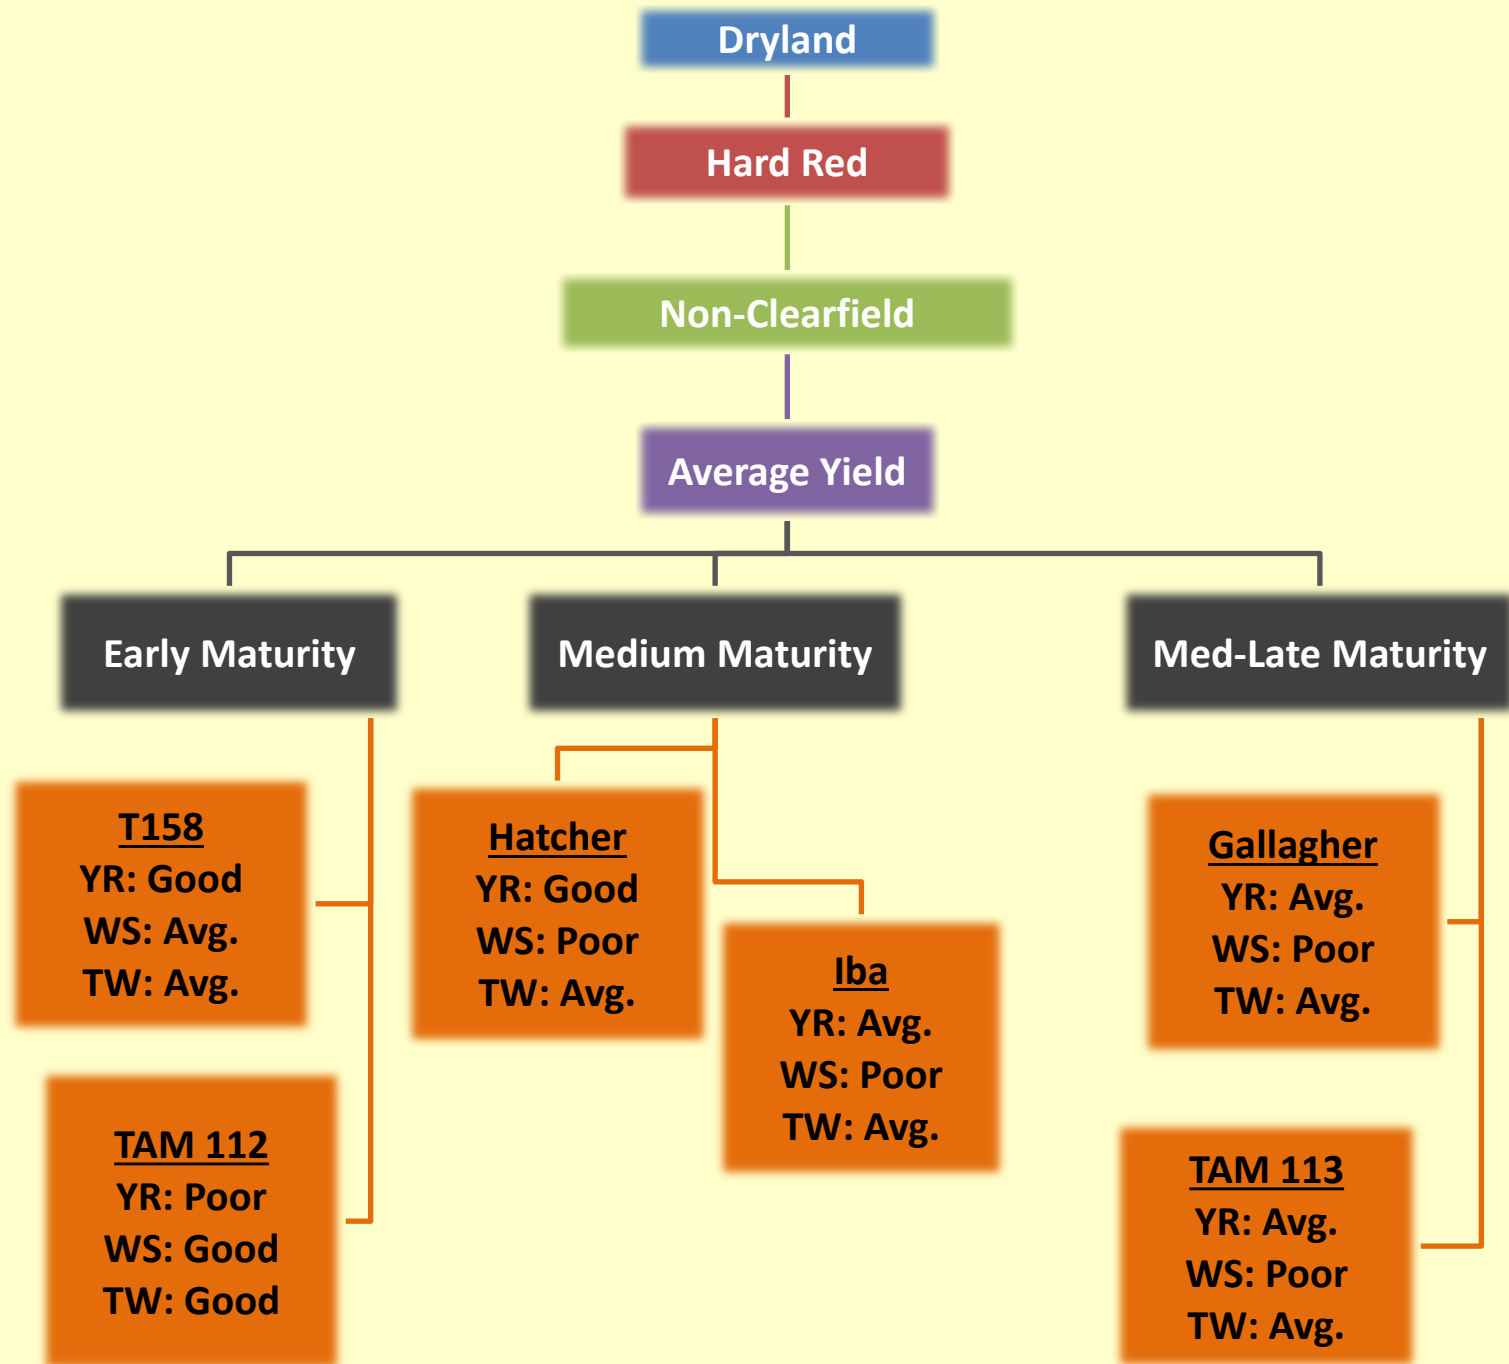

Thank you to Ross Hansen for invitation to speak

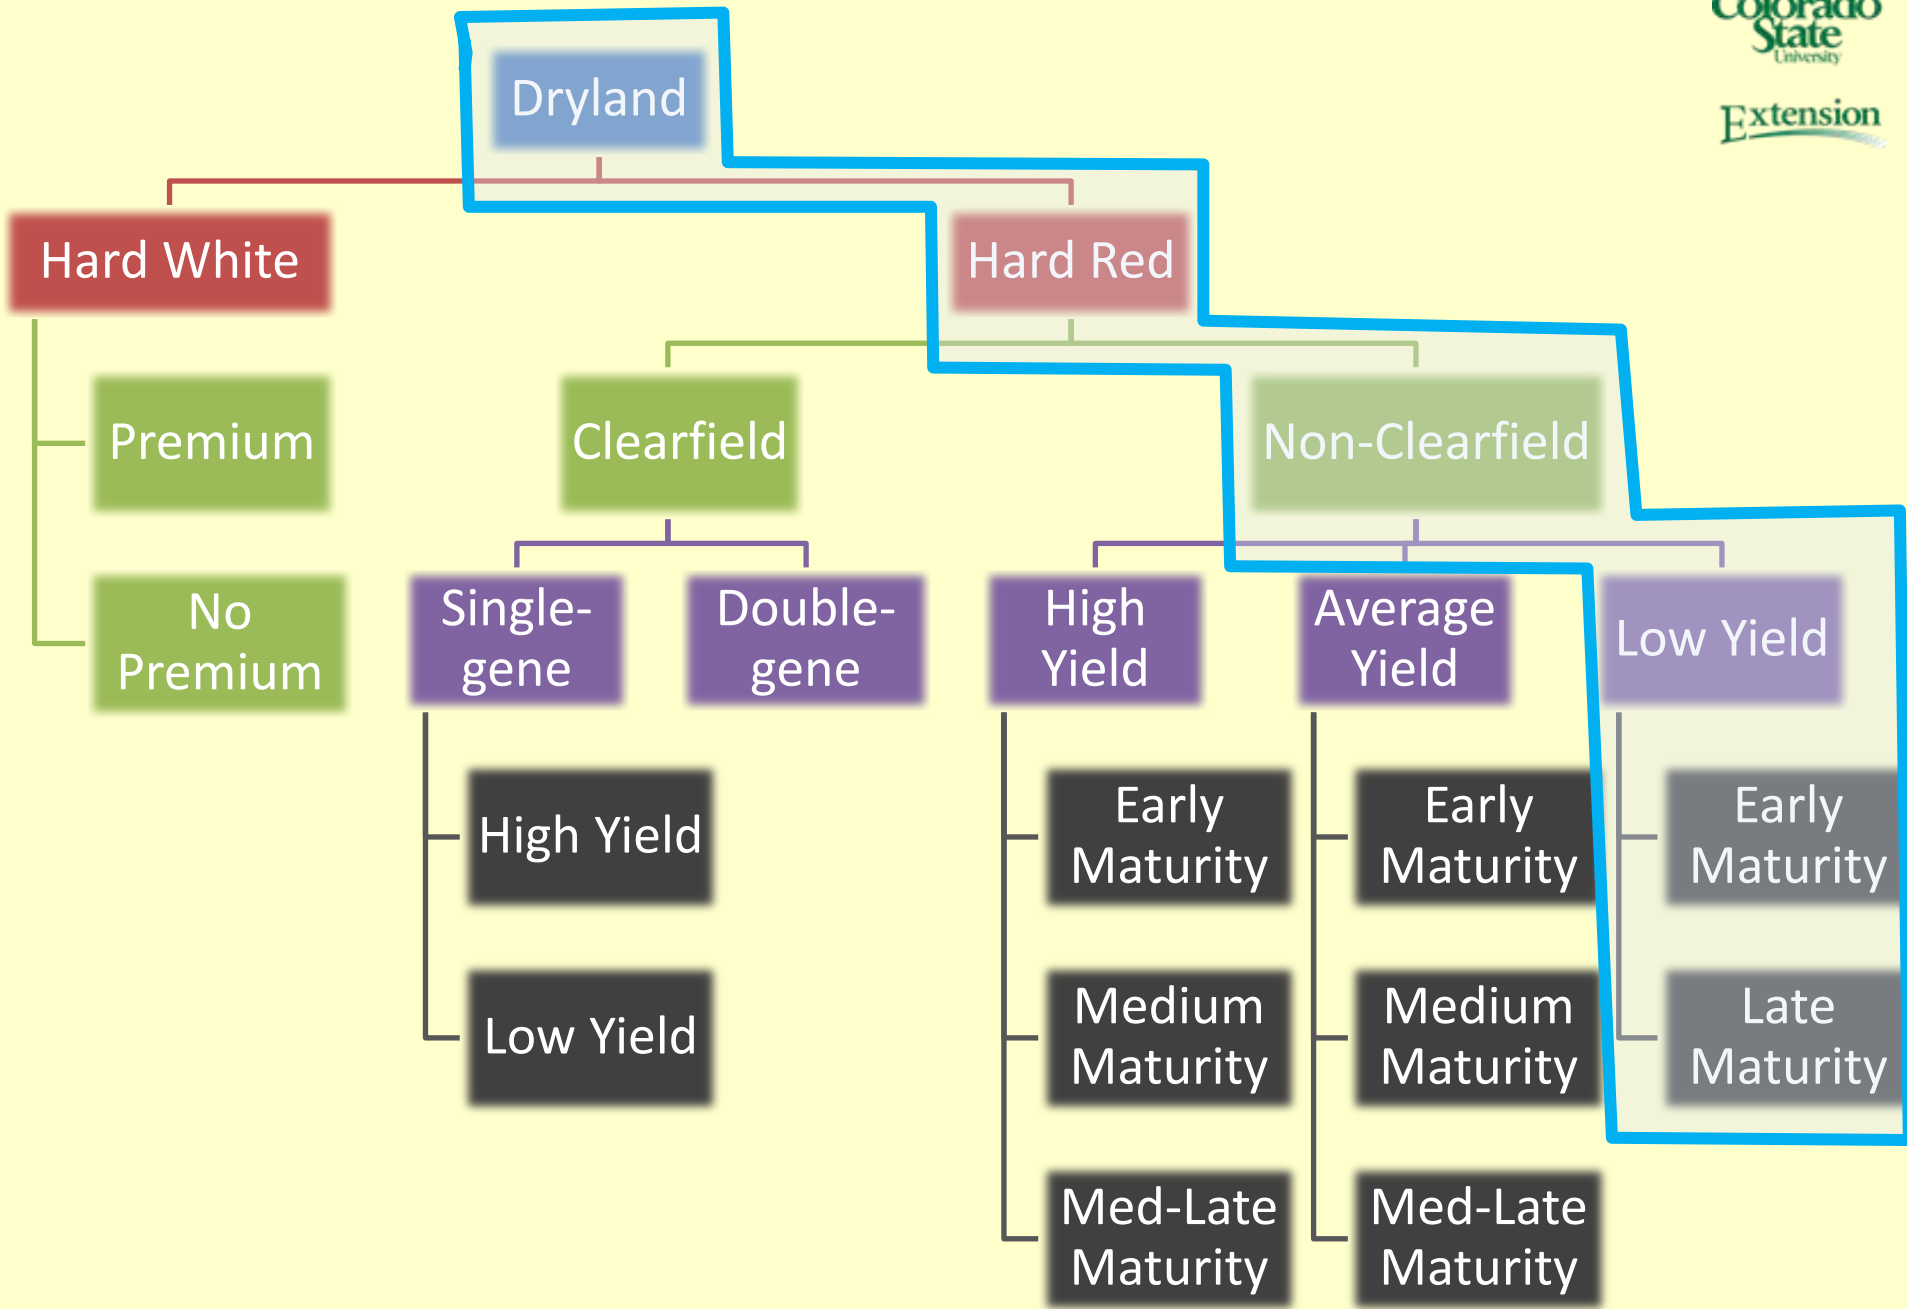

The Top Secret Decision Tree for 2015 Variety Selection

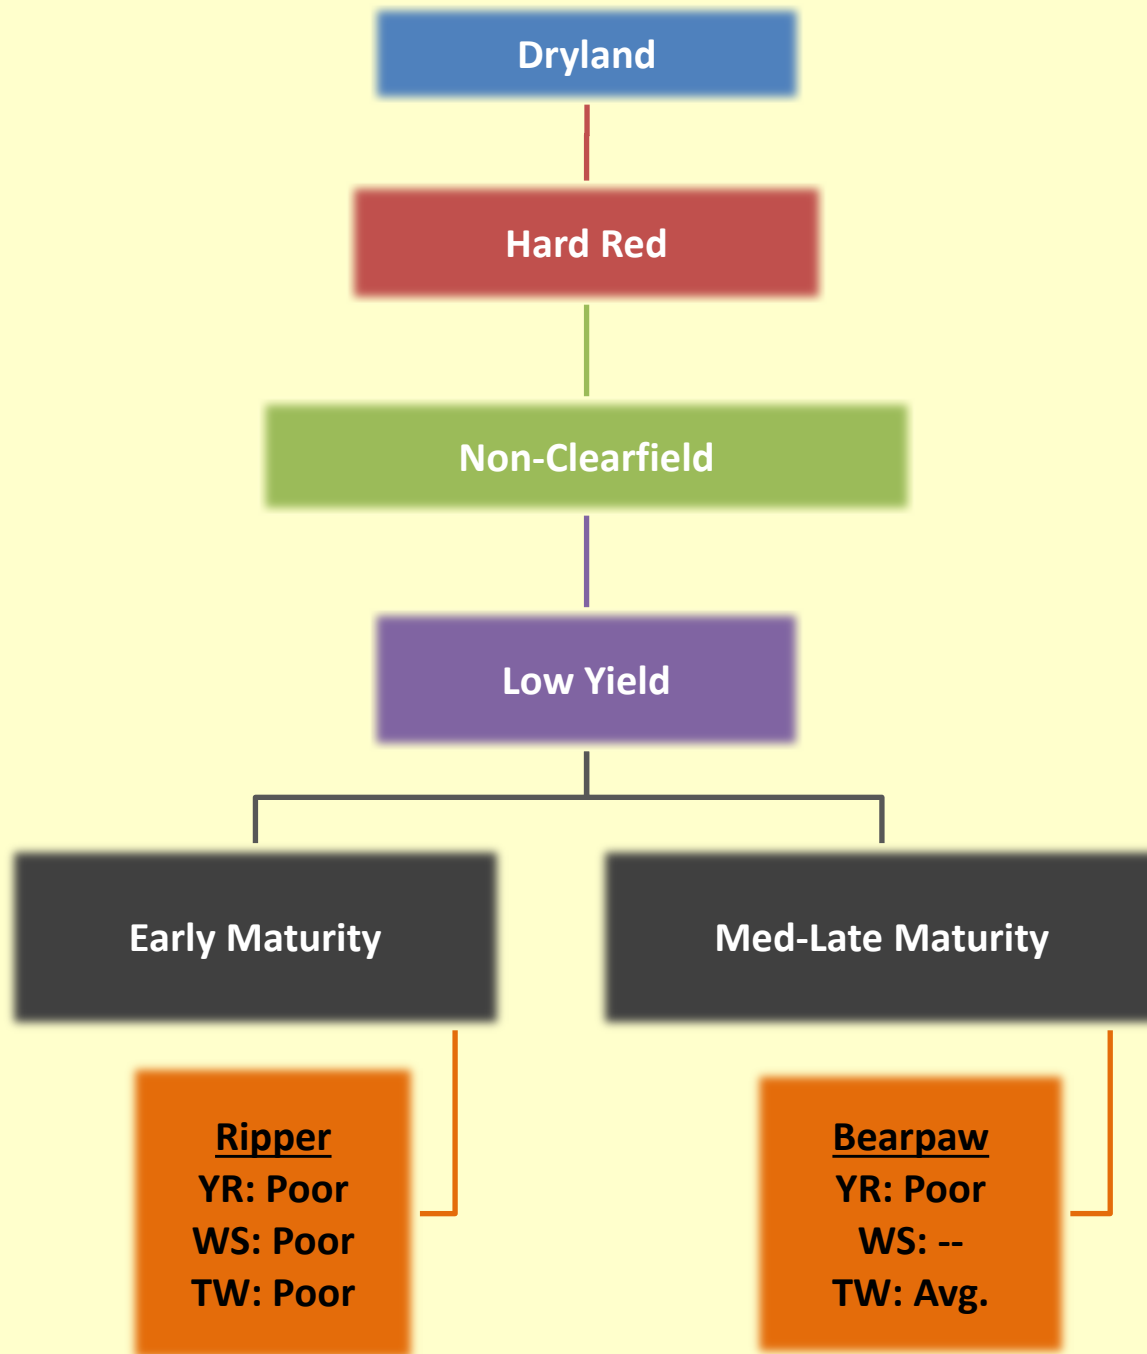

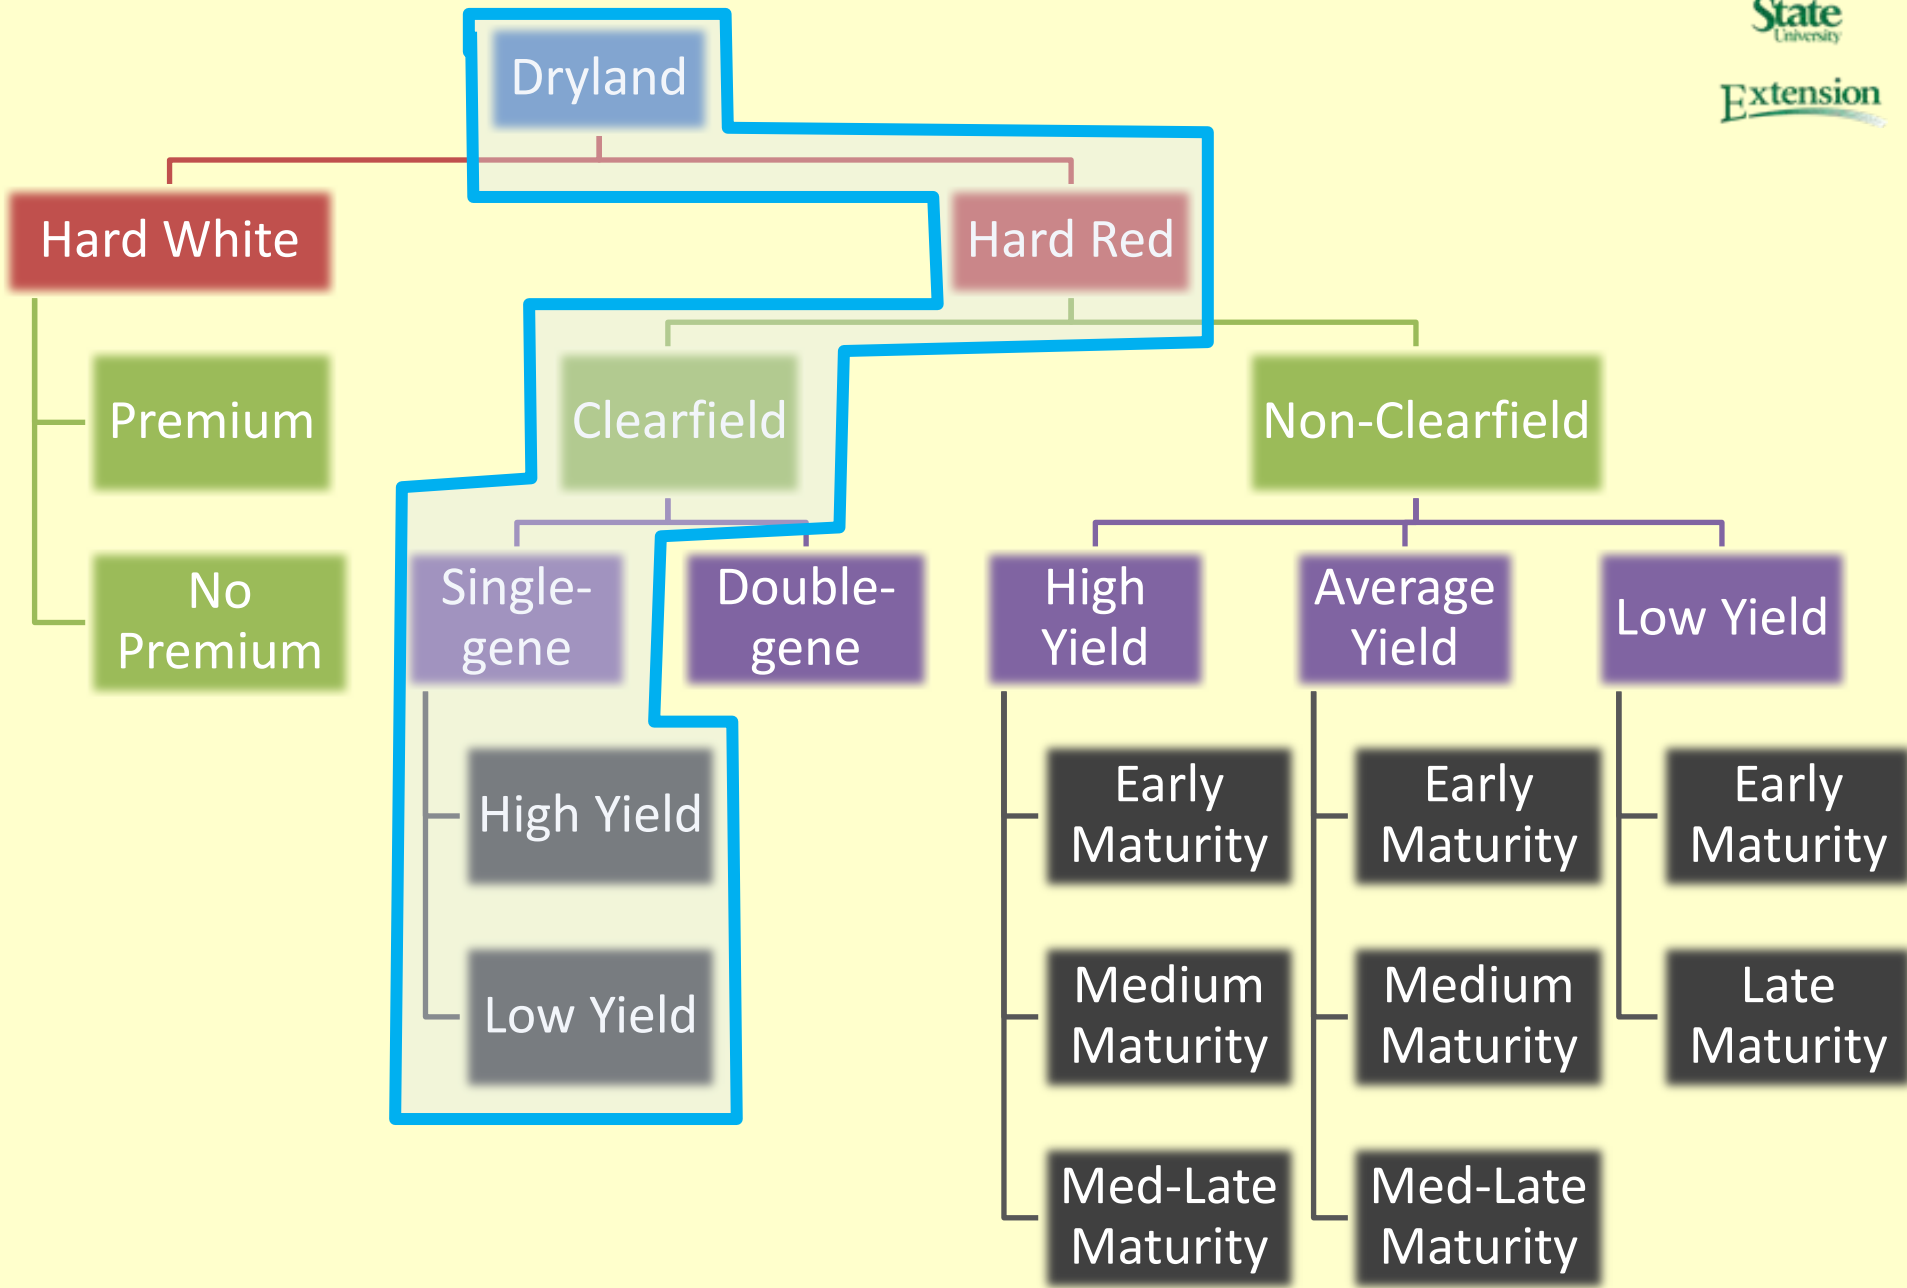

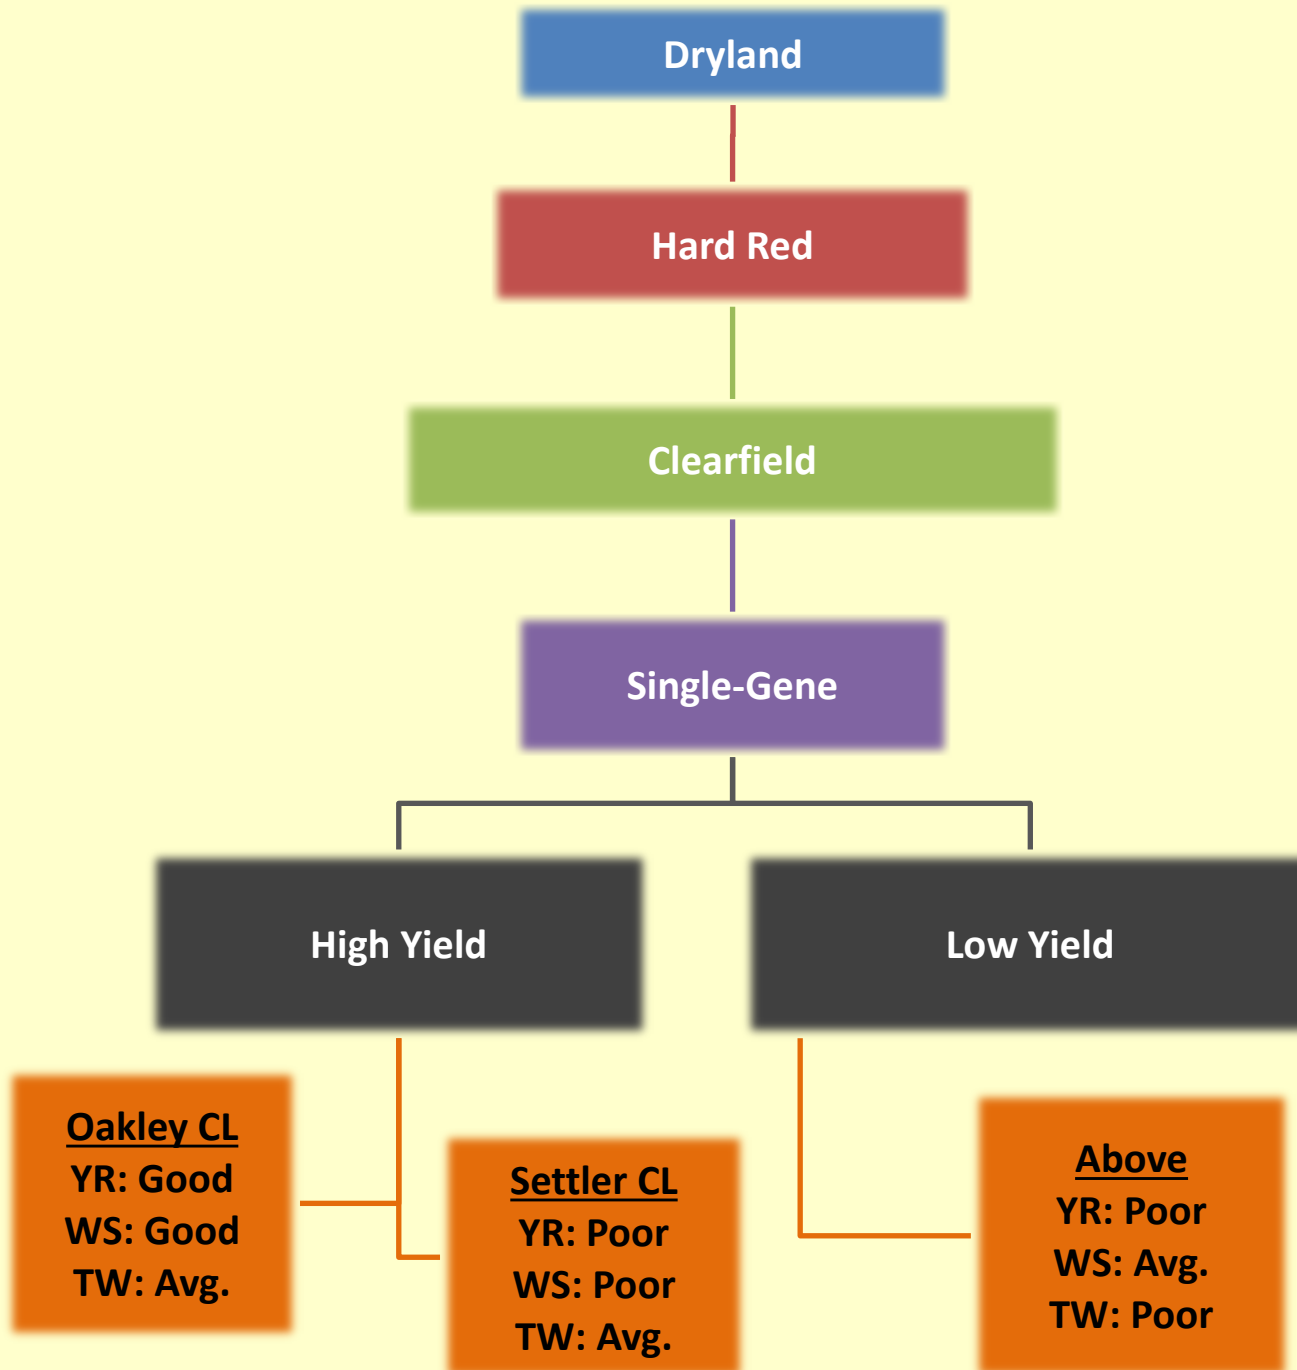

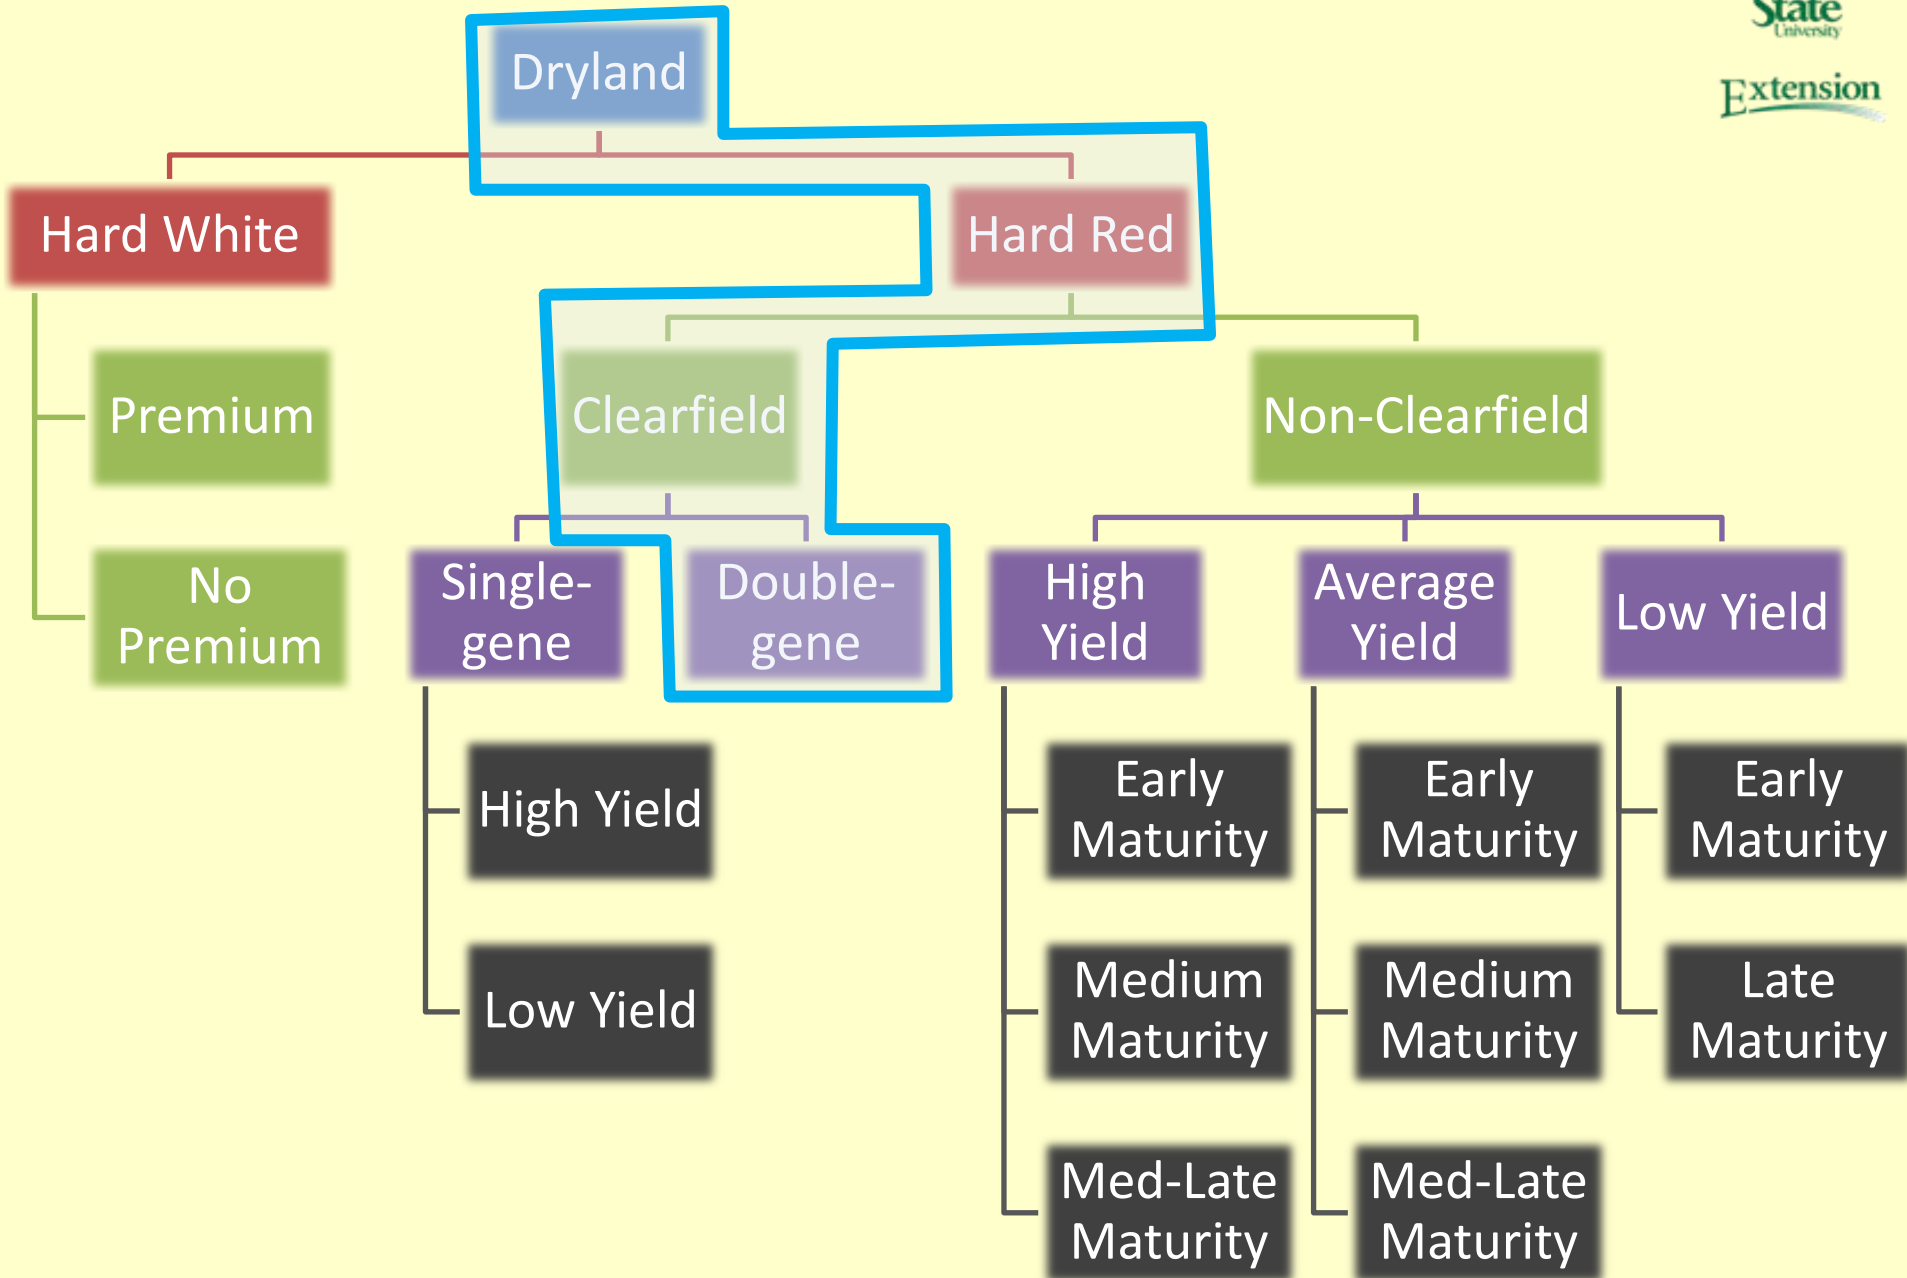

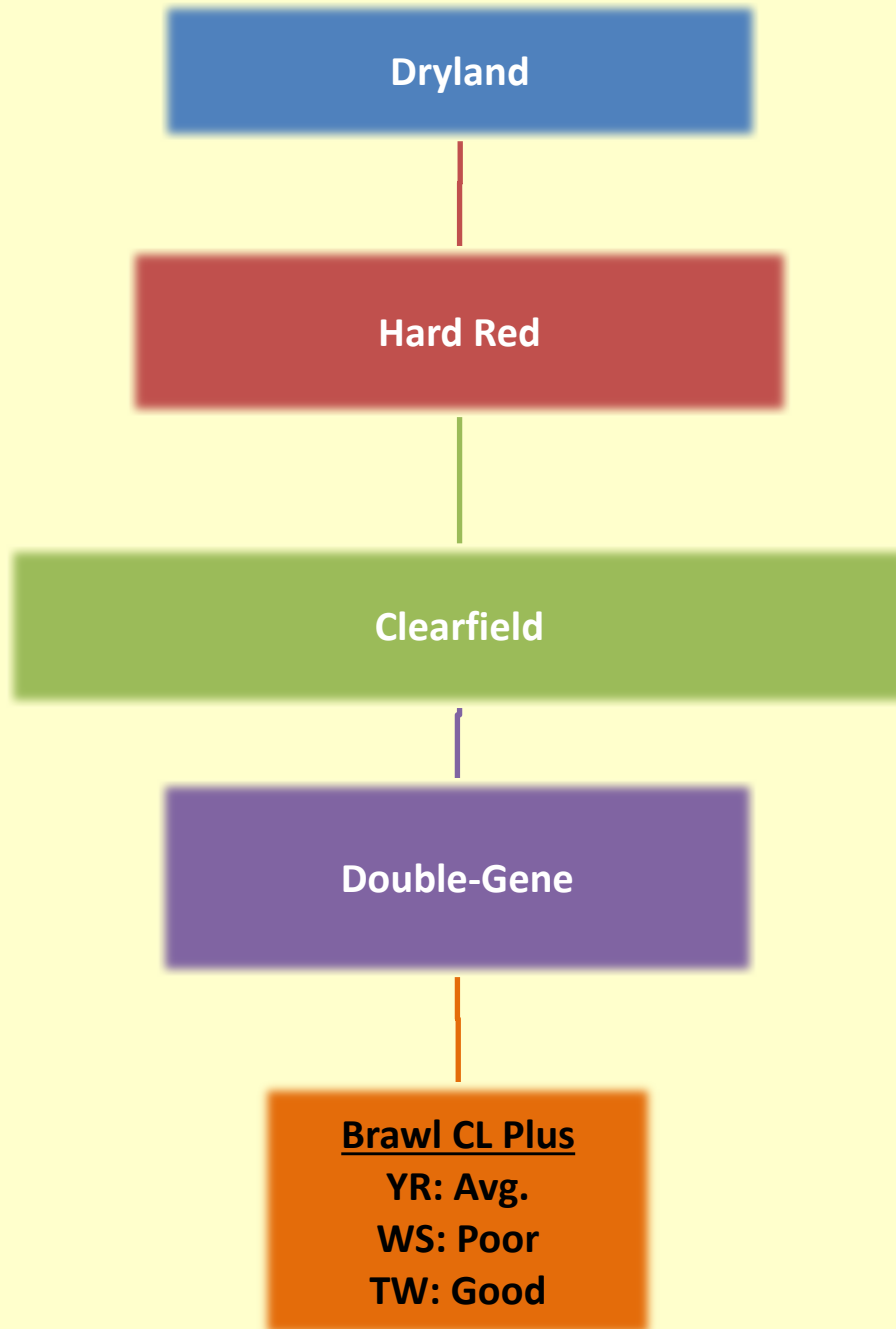

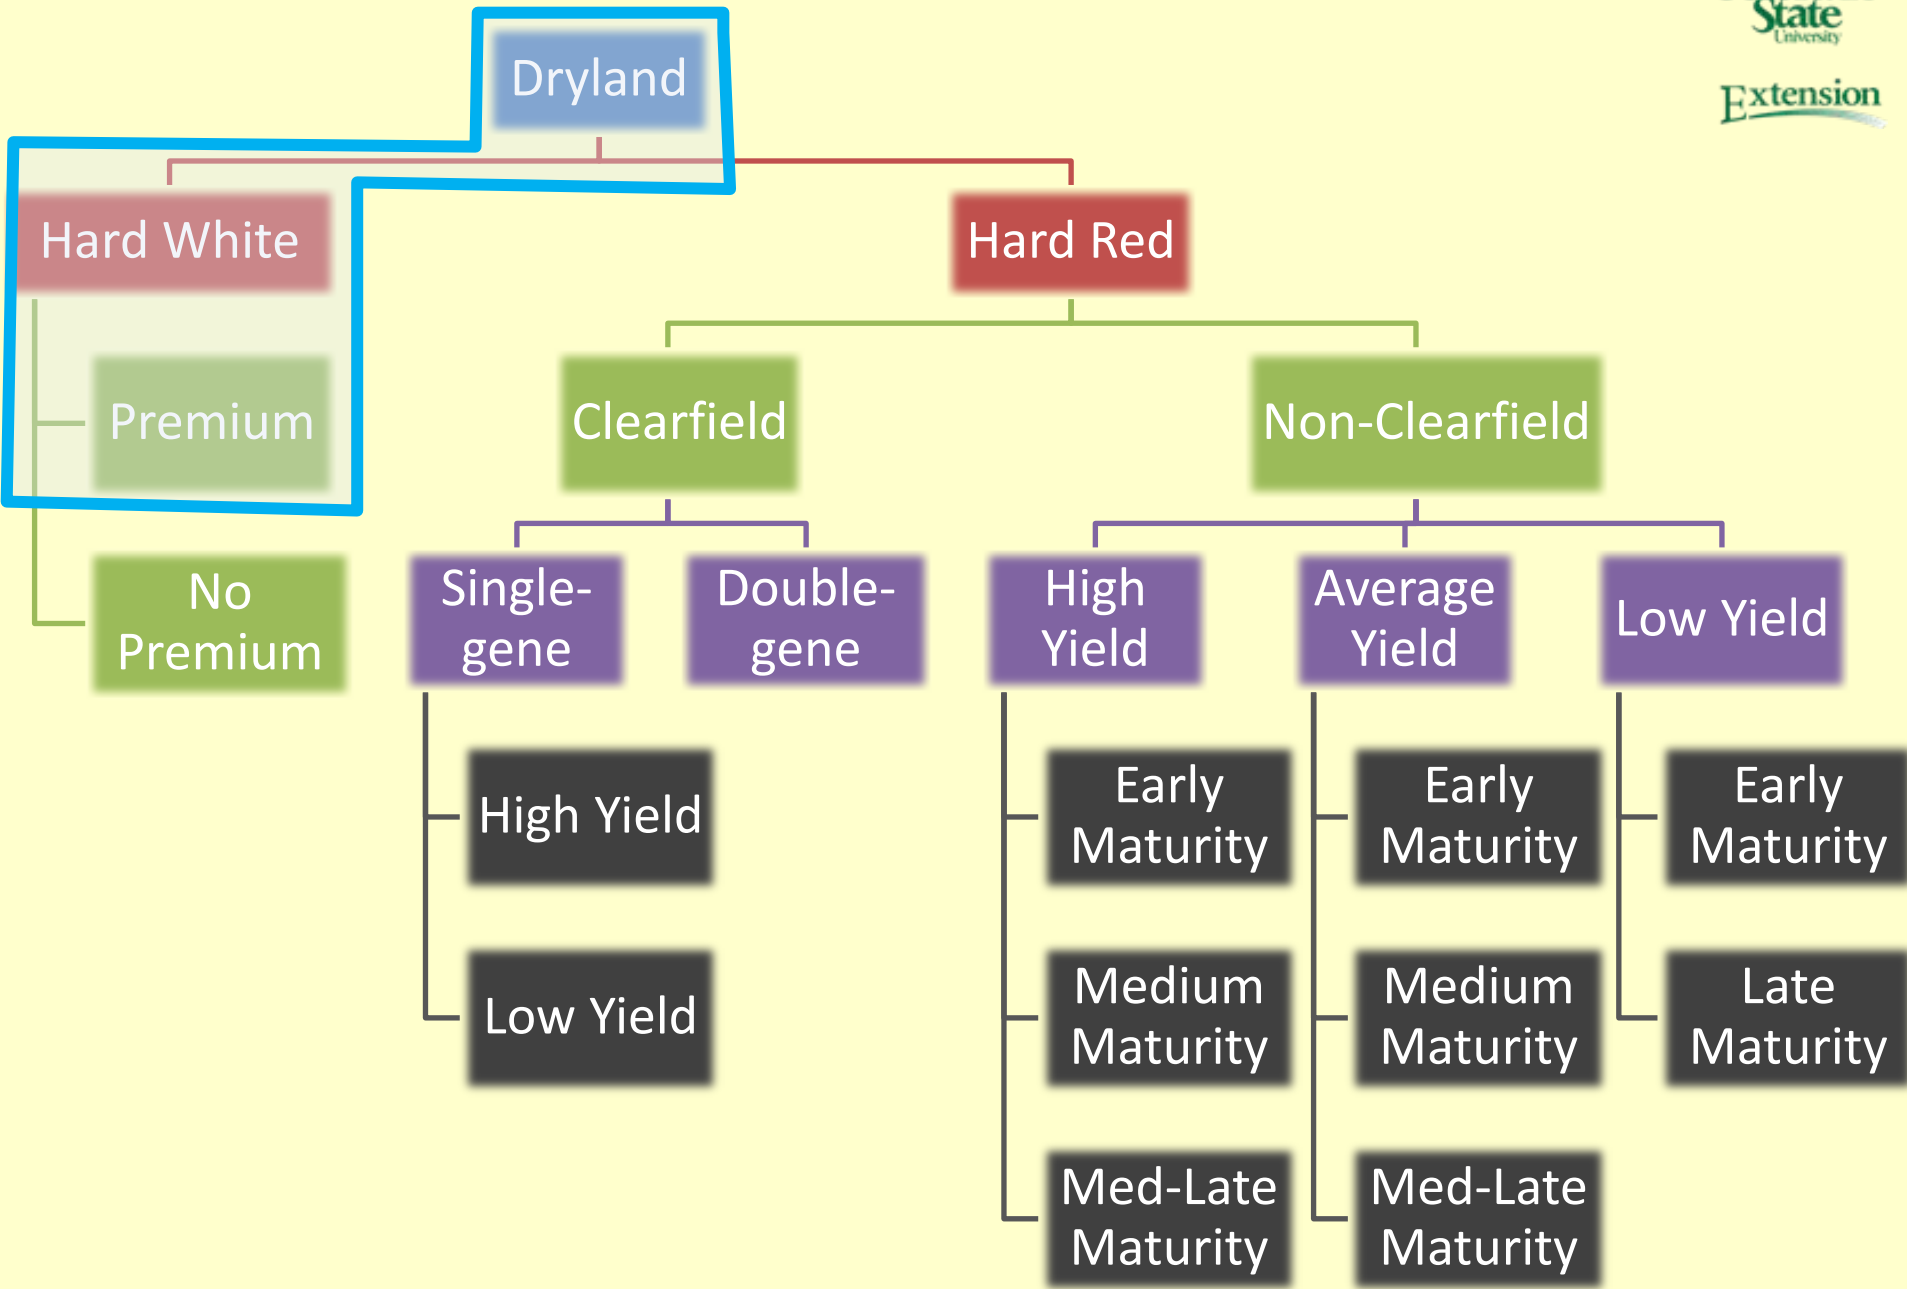

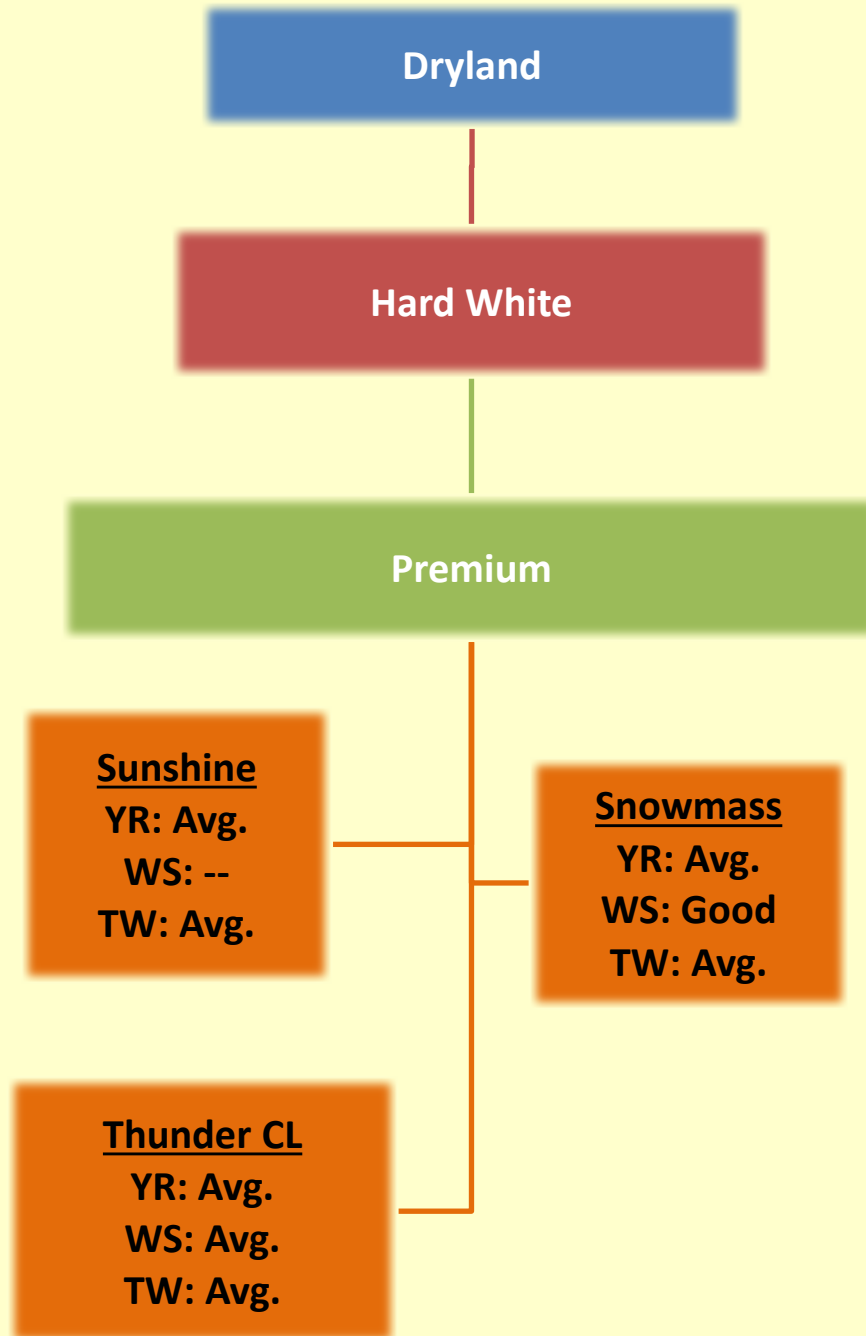

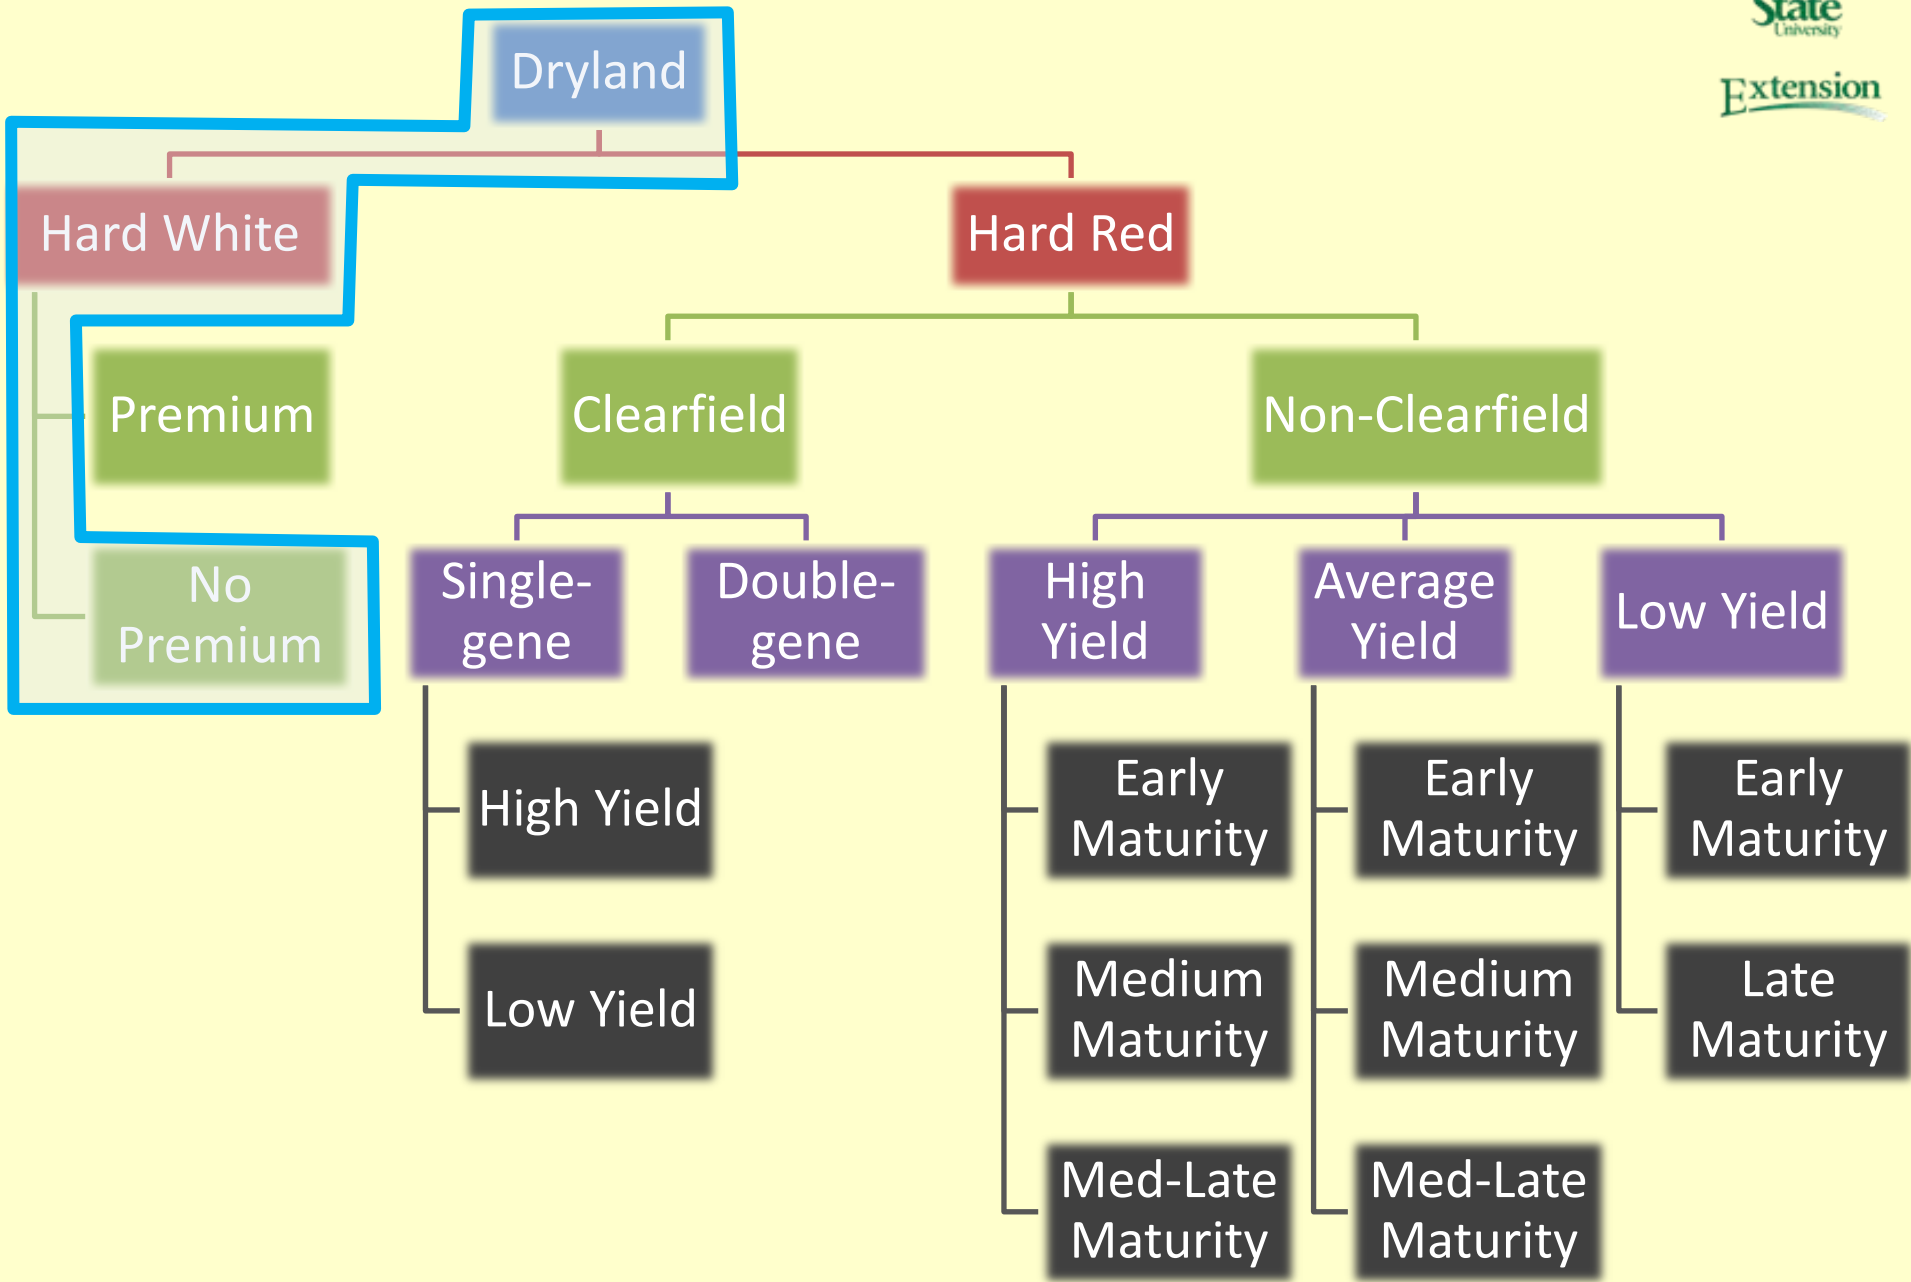

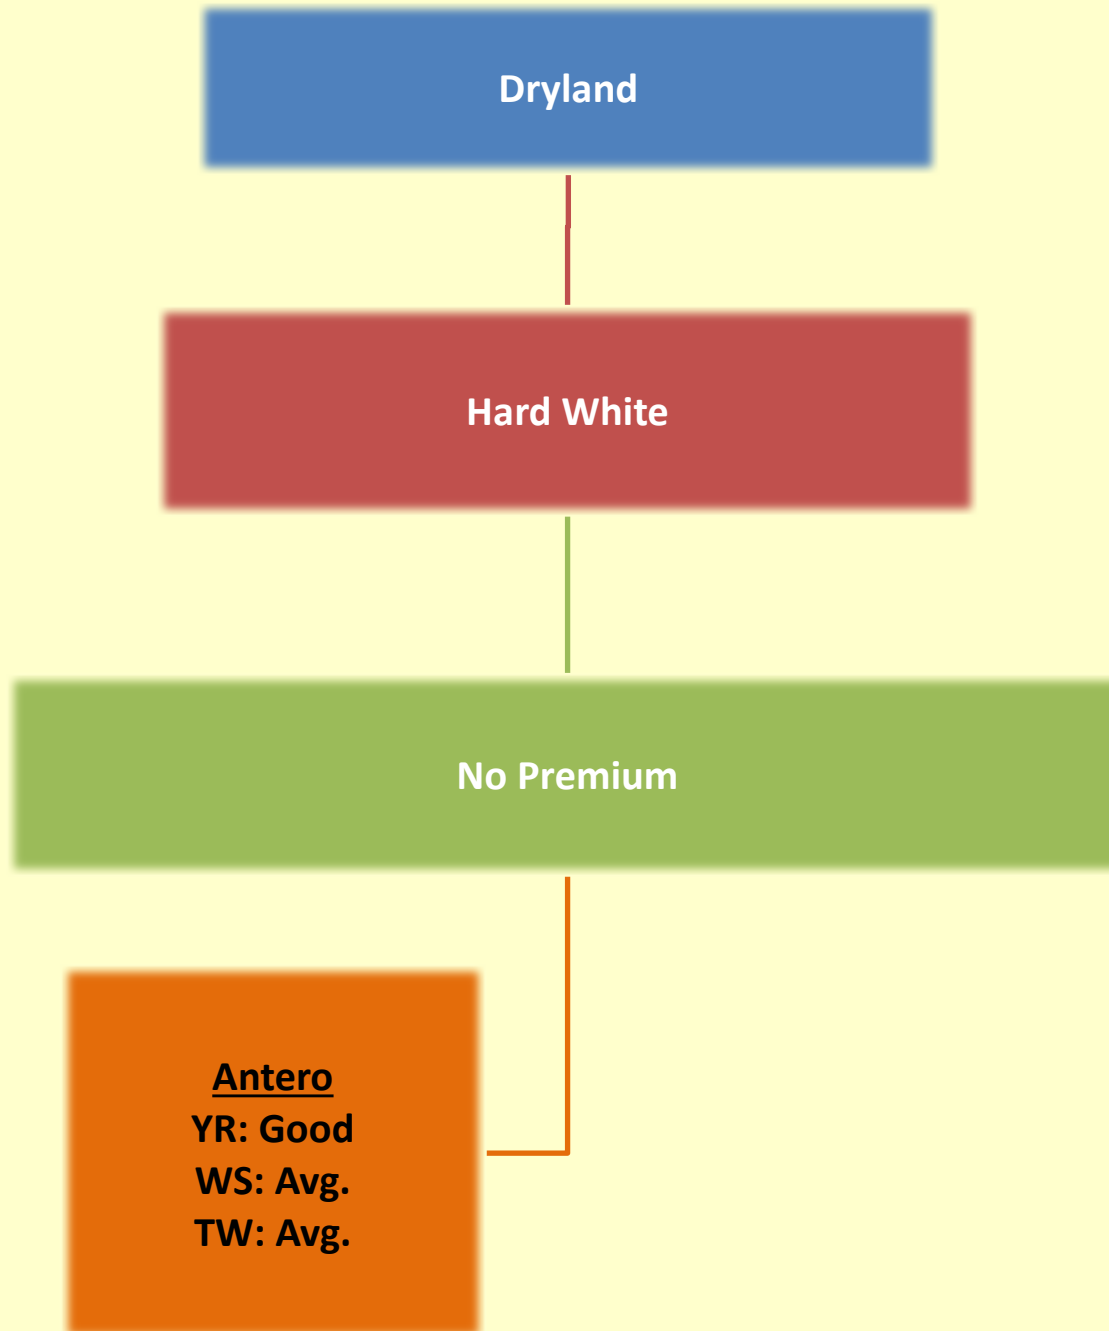

Thank You

Acknowledgments

Dr. Scott Haley for giving us so many great varieties

14 cooperating farmers and research stations who conduct our trials

30 collaborating farmers for on-farm test program

CWAC and CWRF - strong support and print report
